Cosi chairs from Electric Mobility give you everything you need in riser-recliners. They give you all the choice, comfort and quality you will ever want.

Lie back and unwind in a Cosi chair and you will know you have made the right choice. Specially designed to help if you suffer from medical conditions such as arthritis and rheumatism, Cosi chairs make sitting, reclining and standing up easier with a smooth lift, tilt and recline action. Experience the Cosi chair difference through a choice of over 16 different riser-recliners each with a smooth motion and simple controls. There are ten quality fabrics to choose from, including a water resistant finish, so you can be assured there is a style for you.

Each Cosi chair gives you added pleasure with its variety of features designed for ultimate comfort –

- an easy-to-use hand control
- useful pocket for storage
- head rest cover and removable arm covers for added durability*
- a lifetime frame warranty with a full one year cover on all parts and labour
- a range of accessories including a leg rest extension, lockable castor wheels, and a heat and massage option (see back page)

When you want a riser-recliner that is not only ideally suited to your needs but looks good in any home, choose a Cosi chair because it will give you more than the rest.

* Removable arm covers not available with the Regal.

Front cover features the Ambassador Small

The Ambassador range of dual motor riser-recliners is the first to incorporate the unique MaxiComfort™ technology. This revolutionary movement allows an infinite range of positioning at the touch of a button. Improve your circulation by reclining the back and raising your hips and feet, and gain pressure relief from the exclusive 'zero gravity' position.

The Ambassador range is crafted from the finest materials and incorporates a movement that is smooth and quiet with a waterfall style winged back for ultimate comfort. Designed and built by specialists, this outstanding riser-recliner is the first Cosi chair to be available in a choice of five diamond fabric finishes and is available in small, medium or large.

Totally versatile in every way, the Ambassador range is second to none.

infinite positions, sheer luxury

the ambassador range

Each Cosi chair is fitted with a battery backup system to bring the chair to a seated position in the event of a power loss.

the regal

intelligent design and unrivalled features

Everything you could ask of a riser-recliner is encompassed in the Regal. Think about yourself in a recliner, what would you like? Maybe you would like a specifically tailored back rest, extra leg support, cleverly disguised arm compartments for storage or

even a handy fold-away tray? The Regal has them all. You will also enjoy the extra padded arm and foot rests, a useful cup holder and an additional side pocket for magazines and newspapers. With so many unrivalled features as standard, the Regal truly gives you a riser-recliner that pampers to your every need.

the royal

sumptuous style tailored to you

Similar to the Regal, the Royal offers an outstanding level of features that are both practical and stylish. To sit, recline or lie in a Royal is an absolute pleasure because the three pillow back rest can be tailored to suit your needs by adding or removing foam padding. The reclining action is so smooth and quiet you will feel contented from the moment you sit down. The Royal comes in two sizes, the Petite and Medium, and includes a head rest cover and removable arm covers for added durability. This Cosi chair quite simply befits its name.

the **comforter** range

the ideal fit whatever
your size

Electric Mobility prides itself on offering you a riser-recliner that gives a perfect snug feeling. Whatever your height or size, there is a Cosi chair for you and your home in the Comforter series. Choose from the Junior Petite for heights of 5'3" or less, the Medium for up to 5'10", the Comforter Large for up to 6'2" and the Comforter Tall for up to 6'8".

To extend this excellent choice, Electric Mobility has developed four extra large bariatric riser-recliners of the utmost practicality and comfort to suit a bigger build.

If you have a bariatric condition, the level of comfort offered by a riser-recliner becomes even more important. The superb 35st capacity Comforter Elite range and the outstanding 50st capacity 502 Supreme give you that level.

the elite

Without compromising on style, the Elite gives all the support you need to recline, sit or stand up. As with all Cosi chairs, the Elite range offers a recliner to suit every shape and size with a choice of either the Medium, Large or Tall.

All Cosi chairs come with an easy-to-use quick release hand control. (502/Ambassador hand control shown)
