Rascal Razoo Profile:

The Rascal Razoo is a slim and sleek everyday companion to assist and enhance your independence. Simplicity and functionality combine to create this delicate yet durable model with minimalism design a core component. The compact chassis makes this one of the most petite powerchairs on the market, with a quick release battery pack and easy to dismantle components. Transportation, storage and travel have never been easier!

This Rear-Wheel Drive powerchair offers superb traction and outstanding manoeuvrability with a desirable turning circle of just 97cm.
